

Dear Parent

I am writing to let you know that starting in the Autumn Term St.Josephs will be offering Tuition on the Drum Kit. My name is Chris Lewitt and I teach drumming at Welland Park Academy (for the last nine years) and also at The C of E school and The MH Music Shop in Harborough. I also teach in Leicester at Winstanley Academy where I have ran Junior and Adult drum classes in their Community programme for the last twenty one years.

At St.Josephs I would like to offer 20 minute individual lessons (more suitable for this age group) and to do ten sessions per term. The cost is £9 per lesson. Payments are usually in advance for the term or could be split into two equal payments. If you are interested my details and contact number are here and with the school. If you get in touch I will call or email you back.
