Dear Parent/Carer,

Our school is committed to encouraging each child to reach their full potential both academically and spiritually in a supportive Christian environment. We take seriously our responsibility to providing an educational journey that reflects that commitment, and it's important that we understand the views of parents of the children within our care.

With this in mind, I am asking for your help in participating in a simple on-line questionnaire.

You can find this questionnaire at <https://goo.gl/nb4Ru5>, or visit the school website and follow the links. The survey should take between 10 and 15 minutes to complete.

In line with the best practice of the Market Research Society (MRS) Code of Conduct, all information collected will be anonymous, (that is to say we will not be able to identify individual pupils from the survey), so please be as candid as possible. All information collected will remain confidential within the school and only the statistical data will be used in the research.

I do hope that you will be able to take part, and thank you in advance for your continued support.

Yours sincerely,

*K McVea*
