

Impact of Sport's Premium 2015/2016

Cost	Initiative	Duration	Provider	Outcomes
£6,500	PE/Sports Apprentice	1 Year		Paid for a Sports Apprentice to work in school full time for a year. His main responsibilities were to support teaching/coaching PE lessons, to support sport's clubs and lead teams and lessons as he became more experienced. He also worked in the playground at lunch times leading children in playing games. He also played an important role in keeping the sports board up to date and ensuring resources were kept tidy and useable.
£760	Staff released to attend school competitions	1 Year	Through school. Support staff were required to work extra hours to enable members of staff to attend school competitions.	Release time for staff to attend competitions. The school has entered several diverse inter school competitions across various age groups. These include; multi-skills, football, tag rugby, hockey, cricket. This has helped to promote sports to a variety of children who enjoy representing the school.
£1,140	Free/subsidised clubs	1 Year	JT?? Multi-skills for FS and KS1.	School staff lead many sports clubs in KS2 but there was a need to involve KS1 in order to increase participation. We decided to subsidise a sports group from an outside agency in order to increase participation, which it has.
£830	Professional Development for teachers/specialised coaching/teaching for children.	Ongoing	Mr Green provided cricket coaching. Welland Park Academy provided gymnastics teaching. Stomp day to teach children dance.	Areas for development for teachers were identified and specialist coaches were brought in to teach the children alongside CPD for teachers. This happened for Cricket and Gymnastics. We felt as a school we needed to increase the amount of dance done in school so invited Stomp dance workshop to come in and work with all classes for a day.

£10	Football league affiliation	1 year	South Leicestershire Primary School Football Association	This is to enable us to provide inter school competitions in football, including girls football. This pays for pitches and insurance. Requests can also be made for equipment if necessary.
£337.50	Subsidising trips	1 off payment		A trip to Old Trafford to watch a football match between Manchester United and Middlesbrough was subsidised. This was to inspire children and give them a fantastic experience. Lots of children not normally interested in football became more so which led to an increase in participation at football clubs, especially with the girls.
£500	Affiliation to LSLSSP	1 year	Learning South Leicestershire School Sports Partnership	This allows for a broad range of extra-curricular competitions that our children can participate in, across a range of age groups. It also allows staff to access CPD and the Yearly PE conference.
Sainsbury's Vouchers	New equipment	1 year		Equipment was updated to continue to provide children with appropriate resources in their PE lessons. New equipment was also bought to allow children to participate in other sports that they could not have done before. E.G golf.
£38	Affiliation to cross country.	1 year	Leicestershire Running and Athletics Network.	This was to allow our children to race at Prestwold Hall in the Leicestershire Cross Country races. This was especially important for our gifted runners who were able to test themselves against the best runners in the county.

At St. Joseph's we really value our sport and attempt to provide all children with a range of extra-curricular activities that will stimulate and excite them, whatever their preferences or skill level. Our teachers and support staff work hard to put on a variety of clubs, including football, tag rugby, cross country, summer games and netball. We also have outside agencies that come in and provide our children with more opportunities, including; judo, KS1 football and multi-skills. Every year the school enters a number of inter schools' competitions and also hold our own intra school competitions where children compete for their house groups. All children are welcome and encouraged to attend and compete in sports events.

Each class has at least 2 PE lessons a week, ensuring that the National PE Curriculum is covered. Annually, all children in KS2 take part in swimming lessons at some point throughout the year, with children going to the local swimming pool. Our foundation stage have a stimulating outdoor environment where they can engage in active learning which, weather dependent, they use daily.

Our Year 5 and 6 classes have the opportunity to attend residential at Alton Castle and Kingswood respectively. Here they can participate in a range of outdoor pursuits such as mountain biking, abseiling and rock climbing.
