

**Impact of Sport's Premium 2016/17**

Cost	Initiative	Duration	Provider	Outcomes
£7800	Apprentice salary and support costs 2016/17	1 year	B-inspired (Trading) Ltd	Paid for a Sports Apprentice to work in school full time for a year. Her main responsibilities were to support teaching/coaching PE lessons, to support sports clubs and lead teams and lessons. As she became more experienced, she also worked in the playground at lunch times leading children in outdoor games. She also played an important role in keeping the sports board up to date and ensuring resources were kept tidy and useable.
£33	Annual Cross Country Affiliation subs 16/17	1 Year	Leicestershire Vision 2000	To enable children to take part in a series of sporting events in Cross Country. This has allowed children to partake in competitive and challenging races. This has helped them develop over the series and encouraged them to make progress and beat their own times and positions (supported by staff members).
£800	Affiliation to LSLSSP	1 Year	Learning South Leicestershire School Sports Partnership	This has enabled our school to participate in sporting events at a competitive level against local schools and in some cases against schools from further parts of the county. In addition, it granted us access to CPD and the yearly P.E. Conference.
£10	Football League Affiliation	1 Year	F. L. A.	This allowed the school to enter inter school competitions in both boys and girls football. This can also allow us access to apply for funding for pitches, insurance and equipment if necessary.
Sainsbury's Vouchers	New equipment	1 Year	Sainsburys	Equipment is updated to provide children with appropriate resources in their P.E. lessons. New equipment has been bought in order to give children the opportunity to participate in new sports such as Lacrosse.
£400	PPA Cover	24 <sup>th</sup> Oct – 12 <sup>th</sup> Dec 2016	United Sports	An external sport organisation covers PPA time so that teaching staff can prepare and plan for the week ahead. This has also allowed for CPD of staff to observe and learn from another PE source and implement their own ideas into the field of P.E.
£421.99	Kurling stones and Bowls Balls	Ongoing	New Age Kurling	To purchase sporting equipment that allowed access to new sports that children would not otherwise have access to.

£285.60	Football goals.	Ongoing	ESPO	To replace and increase the current amount of goals in the school. This allowed for children to play football with more than one set of goals, increasing the number of children playing. In addition, they have allowed for tournaments to be held at the school increasing the amount of competitive games played against other schools and creating a central hub for the girls' football tournaments.
£564.26	Various equipment	Ongoing	ESPO and other companies.	The need to buy various equipment throughout the year ranging from foam balance beams for gymnastics, tennis balls, football barrier and pattern balls (for example) to allow children to continue to have the opportunity to learn, play and exceed in their own expectations in PE and sport throughout the academic year.
£600	Cricket lessons	Summer term	Joseph Green	The external instigation of a cricket specialist has allowed the children in school to access a deeper aspect to learning the sport of cricket. Each lesson is tailored so that the children develop and grow in this sport. It has also allowed the school to signpost children to cricket clubs with a link that would allow them to carry on the sport outside school if they wished to do so.

At St Joseph's we really value our sport and believe that every child should have access to a wide range of sporting opportunities. This should include traditional sports such as football, netball and rugby as well as new sports such as, pop lacrosse, handball, kurling and ultimate frisbee. We believe that sports and extra-curricular activities in our school should engage, encourage and excite children to be curious about sport and to want to play and experiment in a safe and controlled environment. Our teachers, sports coach and support staff strive to offer a variety of clubs throughout the academic year. We also have outside agencies come into the school and provide more opportunities for the children including judo, Lemon Jelly dance and football for KS1. Every year, the school enters numerous competitions via the LSLSSP and Sainsbury's School Mark scheme, holds intra school competitions (such as sports day) where children represent their house and we are now leading the way in some sports (such as Girls' Football) by running tournaments, not only to encourage our own children to take part but other schools too, in order to share in our love of sport and sportsmanship. We believe that every child should have access to sport and they are encouraged to attend and compete in sports events.
